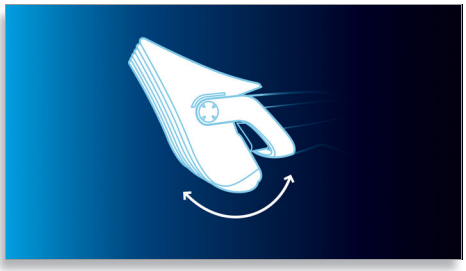
Highlights

Maximum power
The lithium-Ion battery is fully charged in 1 hour and provides constant power for up to 75 minutes cordless use.

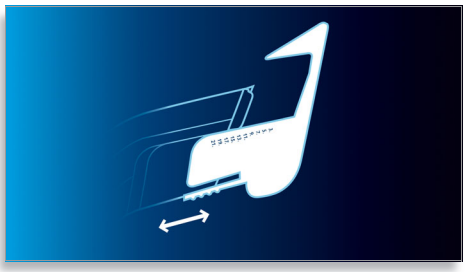
Contour-following comb



The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

Skin friendly
The rounded edges on the blades of your Philips hair clipper and combs are designed to avoid scratching the skin for a more comfortable experience.

Adjustable guide combs

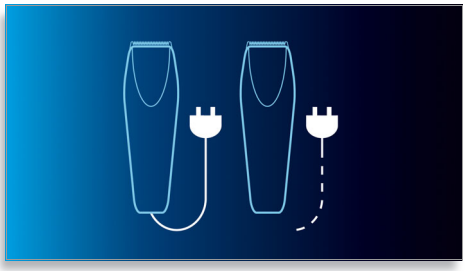


Easily select and set your desired hair length without the hassle of having to change attachments.

100% washable

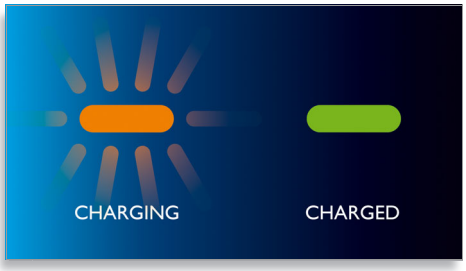
Wash the Philips hair clipper conveniently under the tap for a thorough clean.

Corded and cordless use



For flexibility and convenience the headgroom can be used with or without the power cord.

Battery indicator



A light display flashes white to indicate that the battery is charging and turns constant when it is fully charged.

Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

Lubrication for life

No need for oil maintenance.

Range of 20 length settings
2 combs provide a full range of 20 length settings ranging from 3 to 41mm with a precision of 2 mm between each step up.
